We, the class of '78, are a group of young people optimistically striving toward our one goal — SUCCESS.

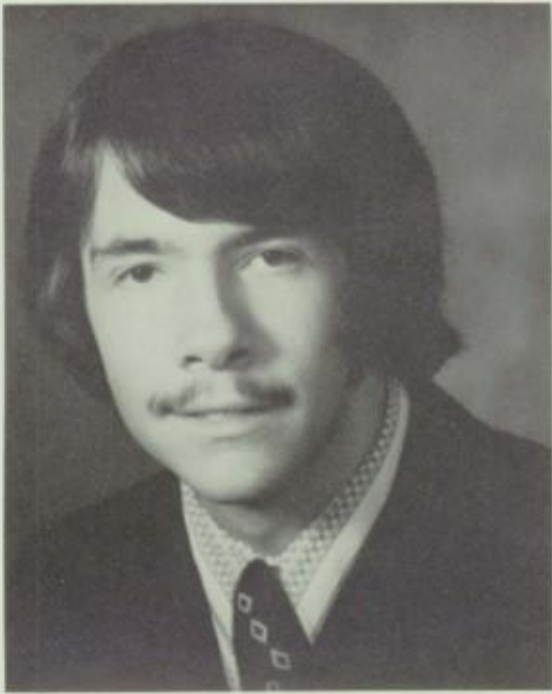

As Freshman and Sophomores we observed our upperclassmen and began thinking about our Junior and Senior years.

Then we were Juniors. We worked hard at our hoagie sale, cheese sale, and dance to make our prom, "Knights In White Satin," a beautiful and most memorable evening.

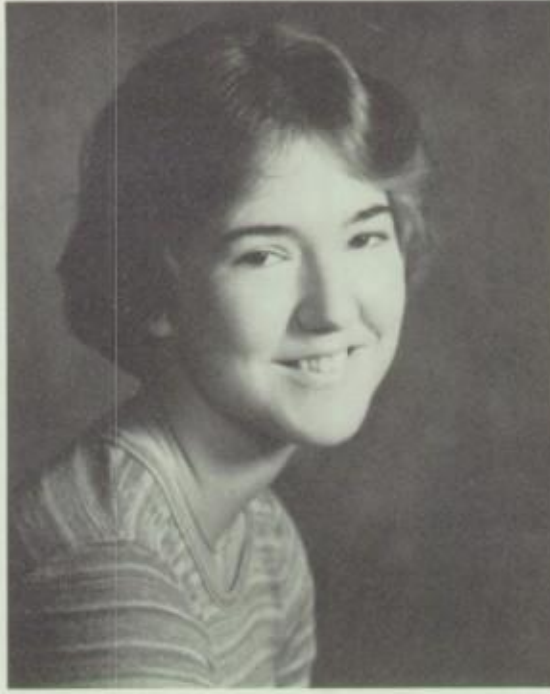

All at once we were Seniors, realizing our problems and responsibilities but not knowing quite how to handle them. We will always treasure those warm memories and dear friends we've shared together at N.O.H.S. It is now time to say "goodbye" to school activities and to face the open doors of a new world.

FACING GRADUATION

Faces of old and faces of new,
People we know and people we
knew.
Growing together then drifting
apart,
Always an ending and now a new
start.
At graduation we all grow nearer
And all of our friends seem so
much dearer.
And as we say our final goodbye,
One last embrace and one more
cry,
A "keep in touch" and a "promise I will"
A "remember when" but, better
still,
A place in my heart, you'll always
stay,
This is what's said as we go our
own way.

In Memoriam

Michael St. Peter

ODE TO Mike

We knew him, only as
 well as we
 know tomorrow.
 But he was thought of
 often, and
 with love.
 Only, he never knew,
 he never knew.
 The secret that will
 unfold to no one.
 Someone will tell him,
 when he gets
 to Heaven.
 But we will never tell
 him, because
 Mike isn't coming
 home.
 As a friend, we would
 sing along.
 As a boy, he would
 play along.
 As himself, he would
 live along.
 Although he's gone,
 He still lives within us,
 and his
 laughter.
 Will still be heard by
 many ears.
 Untouched by fear,
 unhurt by love,
 and deep within him-
 self.

We, the editors of the 1978 Memento, would like to express our sincere appreciation and thanks to all those who have devoted their time, effort, and talent to make this year's yearbook a success. We would like to thank our advisor, Mrs. Worley, for her help, time, and consideration, the entire staff for a job well done, and the Faculty and Administration for their patience and co-operation for all the class interruptions. We would like to give our special note of thanks to Ziegler's Studios, especially Larry Kinneman without whose competent work we couldn't have been able to complete the yearbook. Also, our special thanks to Russ Millett for his photographic help.

We, the editors, feel it was a privilege to have been chosen and want to thank once again each and every one of those people who made this yearbook possible and another great success. We couldn't have done it without everyone's help. Wishing next year's staff the best, and a great success.

Your editors,
Sherry Breighner
Michael Hertz

You cross certain people's paths
only once in a life time.
That once may be in high school.

It's time to stop and look
around.
To look hard at the faces you
have seen every day.

To remember the happy times
you have shared together.
The times that went by so fast.

Now it's graduation and it's
time to move on.
But remember the paths you
have crossed and that ...

Today is forever and
Tomorrow is yet to come!
